Assistant Professor

Interdisciplinary Centre on Population Dynamics
University of Southern Denmark
Campusvej 55, 5230, Odense M, Denmark

ikashnitsky@sdu.dk

FORMAL EDUCATION

- PhD in Demography**, University of Groningen, Groningen & Netherlands 2014–20
Interdisciplinary Demographic Institute, The Hague, The Netherlands
PhD dissertation *Changing regional inequalities in ageing across Europe*
publicly defended on 15 October 2020 doi.org/10.33612/diss.134195227
Advisors: Leo van Wissen and Joop de Beer
- Research Certificate in Demography**, European Doctoral School of 2017–18
Demography held at the Max Planck Institute of Demographic Research,
Rostock, Germany, and Interdisciplinary Centre on Population Dynamics,
University of Southern Denmark, Odense, Denmark
- MSc. in Demography**, National Research University Higher School of 2012–14
Economics, Moscow, Russia
- BSc. in Geography**, Moscow State University, Moscow, Russia 2008–12

POSITIONS, PROFESSIONAL EXPERIENCE

- Assistant Professor**, Interdisciplinary Centre on Population Dynamics, 2021–
University of Southern Denmark, Odense, Denmark
- Postdoctoral Researcher**, Interdisciplinary Centre on Population Dynamics, 2020–21
University of Southern Denmark, Odense, Denmark
- Research Assistant**, Interdisciplinary Centre on Population Dynamics, 2018–20
University of Southern Denmark, Odense, Denmark
- Junior Research Fellow**, Institute for Social Policy, National Research 2016–20
University Higher School of Economics, Moscow, Russia
- Research Intern**, Institute for Social Development Studies, National Research 2013–15
University Higher School of Economics, Moscow, Russia
- Research Intern**, Geography Department, Moscow State University, Moscow, 2012
Russia
- Journalist**, Popular science magazine Zerkalo Mira, Moscow, Russia 2011–12

FELLOWSHIPS, ACADEMIC AWARDS AND HONORS

Leading Population Expert , Population Europe, Berlin, Germany	2022
Expert Twitter Takeover , Population Europe, Berlin, Germany	2020
EAPS Outreach Award , European Association for Population Studies, awarded at European Population Conference 2018, Brussels, Belgium	2018
Best Poster Award , Awarded by the Netherlands Demographic Society (NVD) at Dutch Demography Day 2018, Utrecht, The Netherlands	2018
European Doctoral School of Demography Fellowship , Awarded by the Netherlands Interdisciplinary Demographic Institute, The Hague, The Netherlands	2017-18
AURORA-II PhD Scholarship , Awarded by Erasmus Mundus to conduct a PhD project at the University of Groningen	2014-17
Student Research Scholarship , Potanin Fund, Moscow, Russia	2014
Best Research Paper , university contest for the best student and alumni research paper, 1st place among the papers in sociology, National Research University Higher School of Economics, Moscow, Russia	2013
Winner of the poster session , International Student Conference Lomonosov-2013, Geography strand, Moscow State University, Moscow, Russia	2013
Student Research Scholarship , Oxford-Russia Fund, Moscow, Russia	2012-13

RESEARCH SUPPORT

Funding for a Research Stay at LCDS , Leverhulme Centre for Demographic Science, University of Oxford, Oxford, United Kingdom. 15000€	2022
Funding for a Research Stay at CED , Center for Demographic Studies, Autonomous University of Barcelona, Bellaterra, Spain. 20000€	2022
Funding for a Research Stay at CED , Center for Demographic Studies, Autonomous University of Barcelona, Bellaterra, Spain. 20000€	2019
European Doctoral School of Demography Fellowship , Awarded by the Netherlands Interdisciplinary Demographic Institute, The Hague, The Netherlands. 15,4000€	2017-18
Funding for a Research Stay at MPIDR , Max Planck Institute for Demographic Research, Rostock, Germany. 9000€	2017
Funding for a Guest Visit at CED , Center for Demographic Studies, Autonomous University of Barcelona, Bellaterra, Spain. 4000€	2017
AURORA-II PhD Scholarship , Awarded by Erasmus Mundus to conduct a PhD project at the University of Groningen. 51,0000€	2014-17
Academic Travel Grant , Basic Research Foundation, National Research University Higher School of Economics, Moscow, Russia. 18400€	2014
Student Research Scholarship , Potanin Fund, Moscow, Russia. 20700€	2014

Summer School Fellowship , Basic Research Foundation, National Research University Higher School of Economics, Moscow, Russia. 1000€	2013
Academic Travel Grant , Basic Research Foundation, National Research University Higher School of Economics, Moscow, Russia. 1840€	2013
Student Research Scholarship , Oxford-Russia Fund, Moscow, Russia. 1650€	2012–13

RESEARCH PROJECTS

- Excess deaths and life-years lost due to the Covid-19 pandemic in Denmark*, 2020–23
Researcher, Interdisciplinary Centre on Population Dynamics, University of Southern Denmark, Funded by ROCKWOOL Foundation, PI: James Vaupel

- Challenges to implementation of indexation of the pension age in Denmark*, 2019–22
Researcher, Interdisciplinary Centre on Population Dynamics, University of Southern Denmark, Funded by ROCKWOOL Foundation, PI: James Vaupel
- Changing regional inequalities in ageing across Europe*, **PhD Researcher**, 2014–20
 University of Groningen, Groningen & Netherlands Interdisciplinary Demographic Institute, The Hague, The Netherlands, PhD dissertation publicly defended on 15 October 2020 doi.org/10.33612/diss.134195227, Advisors: Leo van Wissen and Joop de Beer
- Migrants in Moscow: integration into the city space and sociocultural adaptation*, 2015–17
Researcher, National Research University Higher School of Economics, Moscow, Russia, Funding: HSE Basic Research Programme, PI: Ekaterina Demintseva
- Mathematical and cartographic modelling of interregional migration flows in Russia*, **Research Assistant**, Moscow State University, Funded by Russian Foundation for Basic Research, PI: Irina Tikunova 2013–14

TEACHING EXPERIENCE

- Data Visualization – the Art/Skill Cocktail*, **Lecturer**, Leverhulme Centre for Demographic Science, University of Oxford, Oxford, United Kingdom 2022
- Data Visualization – the Art/Skill Cocktail*, **Lecturer**, Max Planck Institute for Demographic Research & International Max Planck Research School for Population, Health and Data Science, Rostock, Germany 2020, 2021
- Data Visualization with R*, **Lecturer**, Barcelona Summer School of Demography, Universitat Autònoma de Barcelona, Barcelona, Spain 2019, 2021–23
- Maps with R*, **Guest Lecturer**, Summer Institute in Computational Social Science, University of Oxford, Great Britain 2021
- Academic online toolbox: a brief guided tour to academic internet*, **Guest Lecturer**, Master program Population and Development, National Research University Higher School of Economics, Moscow, Russia 2020
- Data Visualization*, **Instructor**, two-days workshop, Gender and Generations Survey Conference, INED – Institut national d'études démographiques, Paris, France 2019
- Crafting a poster*, **Instructor**, one-day workshop, Share-Net Netherlands & KIT Royal Tropical Institute, Amsterdam, The Netherlands 2019
- Research tools*, **Lecturer**, European Doctoral School of Demography, Odense, Denmark 2019
- Data Visualization*, **Lecturer**, European Doctoral School of Demography, Odense, Denmark 2019
- Demography and Economics*, **Co-lecturer**, University of Southern Denmark, Odense, Denmark 2019

<i>Data visualization</i> , Lecturer , Master program Population and Development, National Research University Higher School of Economics, Moscow, Russia	2016–17
<i>Introduction to R</i> , Lecturer , Master program Population and Development, National Research University Higher School of Economics, Moscow, Russia	2016–17
<i>Migration</i> , Guest Lecturer , Master program Population and Development, National Research University Higher School of Economics, Moscow, Russia	2016
<i>Mapping in R</i> , Instructor , one-day workshop, prepared together with Michael Thomas, Faculty of Spatial Sciences, University of Groningen, Netherlands	2015

MENTORING EXPERIENCE

Hortense Freser. Center for Demographic Studies, Autonomous University of Barcelona. <i>European Doctoral School of Demography 2018-19.</i>	2018–19
--	---------

INVITED TALKS

11. <i>Imaginary populations, imaginary understanding</i> , Seminar at Department of Epidemiology, Erasmus MC, Rotterdam, The Netherlands [online]	2021
10. <i>Create powerful dataviz with R</i> , satRday Nairobi, Kenya [online]	2021
9. <i>Beyond summary statistics: A practical guide to #ShowTheDamnData</i> , Rostock Retreat, Max Planck Institute for Demographic Research, Rostock, Germany	2021
8. <i>The spatial regularities of non-survival to pension age in Danish municipalities</i> , Internal seminar talk at Statistics Denmark, Copenhagen, Denmark	2020
7. <i>COVID-19 in ageing populations: a demographic reflection</i> , University of St. Andrews, United Kingdom	2020
6. <i>Crafting a poster</i> , Share-Net Netherlands & KIT Royal Tropical Institute, Amsterdam, The Netherlands	2019
5. <i>Create powerful dataviz with R</i> , 20 Years Anniversary Celebration of the Masters in Demography program at Population Research Center, University of Groningen, The Netherlands	2019
4. <i>Changing regional inequalities in ageing across Europe</i> , Shortlisted Job Candidate Interview Talk, Center for Demographic Studies, Autonomous University of Barcelona, Bellaterra, Spain	2017
3. <i>Regional demographic convergence in Europe</i> , Lunch seminar at the Faculty of Spatial Sciences, University of Groningen, The Netherlands	2017
2. <i>Пост-социалистический мегаполис: пространственные особенности миграционного притока и связь с ценами на жилье</i> [<i>Post-Socialist megapolis: Spatial variation of in-migration to Moscow: testing the effect of housing market</i>], Migration studies seminar at National Research University Higher School of Economics, Moscow, Russia [in Russian]	2016

1. *Theme group Ageing & Longevity: main results and plans for the future*, 2015
Brown Bag Seminar at Netherlands Interdisciplinary Demographic
Institute
The Hague, The Netherlands

ACADEMIC PRESENTATIONS

23. *A radically simple way to monitor life expectancy*, British Society for
Population Studies Annual Conference 2022, Winchester, United
Kingdom [[preprint](#)] 2022

Symposium 22, Oslo, Norway [[preprint](#)] [[slides](#)] 2022
20. *A radically simple way to monitor life expectancy*, Workshop of the EAPS
Health, Morbidity and Mortality Working Group, Higher School of
Economics, (online) Prague, Czechia [[preprint](#)] [[slides](#)] [[video
presentation](#)] 2021
19. *COVID-19 in unequally ageing European regions*, Dutch Demography Week
2020, (online) Utrecht, The Netherlands [[abstract](#)] [[paper](#)] 2020
18. *(cancelled due to COVID-19 pandemic)* European Population Conference
2020, Padova, Italy (2 papers accepted for oral presentation + invited
member of poster jury) 2020
17. *(cancelled due to COVID-19 pandemic)* Data visualization principles,
Population Association of America Annual Meeting 2020, Washington
DC, United States (2 papers accepted for oral presentation + 1 paper
co-author) 2020
16. *Why she had to go: Impact of migration on adult sex ratios*, British Society
for Population Studies Annual Conference 2019, Cardiff, United
Kingdom [[slides](#)] [[abstract](#)] 2019
15. *Gefaceting: Aligning small-multiples for regions in a spatially meaningful
way*, Population Association of America Annual Conference 2019
Austin, Texas, United States [[poster](#)] [[paper](#)] 2019
14. *Compare population age structures of Europe NUTS-3 regions and the US
counties using ternary colour-coding*, Dutch Demography Day 2018,
Utrecht, The Netherlands [[poster](#)] [[blog](#)] 2018
13. *Regional Population Structures at a Glance*, European Population
Conference 2018, Brussels, Belgium [[poster](#)] [[abstract](#)] [[paper](#)] 2018
12. *Colorcoded map: regional population structures at a glance*, Dutch
Demography Day 2017, Utrecht, Netherlands [[slides](#)] [[book of
abstracts](#)] 2017

11. *Urbanization and regional difference in ageing in Europe*, Statistical Week, Rostock, Germany [[slides](#)] 2017
10. *Urbanization and regional difference in ageing in Europe*, Belgian Demography Day, Ghent, Belgium [[slides](#)] 2017
9. *Regional economic and demographic development in Europe*, The Third Russian Economic Congress, Moscow State University, Moscow, Russia 2016
8. *Urbanization and regional difference in ageing in Europe*, Dutch Demography Day 2016, Utrecht, The Netherlands 2016
7. *Decomposition of regional convergence in population ageing across Europe*, European Population Conference 2016, Mainz, Germany [[slides](#)] [[abstract](#)] [[paper](#)] 2016
6. *Join the club: convergence in population ageing across European NUTS 2 regions*, Regional Studies Association Annual Conference 2016, Graz, Austria 2016
5. *Join the club: convergence in population ageing across European NUTS 2 regions*, Urban and Regional Studies Institute Autumn Conference 2015, University of Groningen, The Netherlands 2015
4. *The use of generation replacement indexes for the research on internal youth migration*, Internal migration and commuting in international perspective, The Federal Institute for Population Research (BiB), Wiesbaden, Germany [[poster](#)] 2015
3. *Cohort research on Russian youth intraregional migration*, European Population Conference 2014, Budapest, Hungary [[slides](#)] [[paper](#)] 2014
2. *Youth migration drives the depopulation of periphery*, XV April International Academic Conference on Economic and Social Development, Moscow, Russia [[slides](#)] [[paper](#)] 2014
1. *Differentiation of Russian regions and cities by mean age of population as a consequence of internal migration*, British Society for Population Studies Annual Conference 2013, Swansea, United Kingdom [[slides](#)] 2013

COURSES & TRAINING

- Statistical Rethinking (2023 Edition)*, Instructor: Richard McElreath [[github](#)] 2023
- Berkeley Workshop in Formal Demography*, Instructors: Joshua Goldstein, Ayesha Mahmud, Dennis Feehan, Berkeley Population Center, UC Berkeley , CA, United States 2021
- Digital and Computational Demography*, Instructors: Emilio Zagheni, Samin Aref & Kiran Garimella, International Advanced Studies in Demography & International Max Planck Research School for Population, Health and Data Science, Max Planck Institute for Demographic Research, Rostock, Germany 2019

<i>Visualizing Data</i> , Instructor: Jonas Schöley, International Advanced Studies in Demography, Max Planck Institute for Demographic Research, Rostock, Germany	2017
<i>Smoothing Demographic Data: Flexible Models in Population Studies</i> , Instructor: Carlo-Giovanni Camarda, International Advanced Studies in Demography, Max Planck Institute for Demographic Research, Rostock, Germany	2017
<i>Publishing in English</i> , Graduate School of the Faculty of Spatial Sciences, University of Groningen, The Netherlands	2015
<i>Sequence Analysis Using TraMineR</i> , Instructor: Matthias Studer, Netherlands Interdisciplinary Demographic Institute, The Hague, The Netherlands	2015
<i>Exploratory Data Analysis</i> , Instructor: Roger Peng, John Hopkins University, Baltimore, United States (MOOC, Coursera)	2015
<i>Spatial Demography</i> , Instructor: Sebastian Klüsener, International Advanced Studies in Demography, Max Planck Institute for Demographic Research, Rostock, Germany	2015
<i>Introduction to R with Advanced Methods and Elements of Reproducible Research</i> , Instructor: Christof Waldhauser, 3rd ECPR Winter School in Methods and Techniques, University of Vienna, Austria	2014
<i>Advanced Issues in Survey Design and Analysis</i> , Utrecht Summer School, Utrecht University, The Netherlands	2013

RESEARCH STAYS

Visiting Scholar , 3 weeks, Oxford University, Leverhulme Centre for Demographic Science, Oxford, United Kingdom	2022
Visiting Scholar , 2 weeks, Tel Aviv University, Department of Sociology and Anthropology, Tel Aviv, Israel	2022
Visiting Scholar , 2 weeks, Demographic Center Studies (CED), Universidad Autonoma de Barcelona, Bellaterra, Spain	2019
Visiting Scholar , 3 weeks, Max Planck Institute for Demographic Research, Rostock, Germany	2017
Visiting Scholar , 3 weeks, Netherlands Interdisciplinary Demographic Institute, The Hague, The Netherlands	2014

COMMUNITY SERVICE

Peer-review for Academic Journals: Population Studies, Demographic Research, European Journal of Population, Vienna Yearbook of Population Research, Population Research and Policy Review, Regional Studies, The BMJ, International Journal of Epidemiology, BMJ Global Health, The Lancet Public Health, PLOS One, BMJ Open, Population Health Metrics, Tijdschrift voor economische en sociale geografie, Journal of the Economics of Ageing, Comparative Population Studies, Social Indicators

Research, Journal of Statistical Software, Quality & Quantity, EClinicalMedicine, Moravian Geographical Reports, Risk Analysis, Quetelet, Demographic Review (RU)

Grant application peer-review: Fondazione Cariplo (2021, 2022)

Peer-review of Master Theses: National Research University Higher School of Economics

Conference Session / Discussion Organizer: Online expert meeting ([2022-12-15](#)), Population Association of America Annual Meeting (2021), Feedback Forum at NIDI (2016-2017)

Expert Panel Discussion: Technical Advisory Group on COVID-19 Mortality Assessment, Working group 4, WHO & UN DESA ([2021-22](#)), Population Europe Expert Workshop Demography and the Coronavirus Pandemic ([2020](#))

Member of Academic Organizations:

Danish Demographic Society (2022-), [board member](#) (2022-)

International Union for the Scientific Study of Population (2021-)

Population Association of America (2019-)

Netherlands Demographic Society (2016-)

European Association for Population Studies (2014-)
